

## Verge Assistance Scheme - **Verge Transformation Request**

# Application Form

## - Verge Transformation Request

### Who this Application is for:

This application is for a verge transformation request, where property owners wish to develop their verge outside the 'permissible verge treatment' as per the Thoroughfares and Public Places Local Law 2017 (<https://perth.wa.gov.au/council/reports-and-important-documents/local-laws>).

All applications will be assessed by the below criteria.

- Applicants must be the property owner or Strata Management (body corporate);
- Multiple dwelling sites must have approval of all property owner's/strata management approval
- An application for verge redesign will not be considered where building work or activities within the property have damaged the street verge;
- The criteria met by the proposed verge treatment to improve and sustain the streetscape;
- The level of adherence to the verge compliance criteria;

### Applicant details:

Property address for adjacent verge	
Property Number:	Street Name:

Dial Before You Dig Australia reference number	<input type="checkbox"/> .

## Application Requirements and Eligibility Criteria:

Please tick the below boxes to confirm your understanding

- I have read, understood, and agree to the City of Perth Verge Transformation Guidelines.
- I confirm that I am the owner of the above stated address and/or have attached supporting documentation from the appropriate strata management.
- I acknowledge that the City of Perth reserves the right to install a street tree in the future as per the City of Perth's Urban forest Plan 2016-2036.

**Please submit the completed application form to [pks.inbox@cityofperth.wa.gov.au](mailto:pks.inbox@cityofperth.wa.gov.au) with the subject heading Verge Transformation Request. The application will be assessed against the compliance criteria and you will be notified of the outcome. If you have also applied for the plant giveaway and your application is successful, you will be notified once the plants are ready for collection.**

If you receive approval the City's Technical Parks Officer will be in contact to inspect the works and assist with queries.

If you have any queries completing this form, please contact the City of Perth on **(08) 9461 3333**

Please show below the dimensions of the area to be landscaped, approximate position of proposed planting, type, and layout. Include existing street trees, allocated bin space, footpath and/or other hard assets within the verge.
