

Council Policy Manual

CP2.3 Graffiti Treatment

POLICY OBJECTIVE

To define the Council's expectations in relation to the removal of graffiti from government, private and Council owned buildings and structures.

POLICY STATEMENT

In the context of this policy "treated" means to remove, paint over, or otherwise apply a covering so that the offending graffiti is no longer seen from the street. Graffiti is defined as offending material other than glass and natural stone scratching.

1. The City shall provide a "Graffiti Hotline" to provide assistance and information to building owners/managers and as a central point for reporting graffiti.
2. Graffiti on Council owned/managed buildings and structures will be treated within 48 hours of being reported.
3. Graffiti on government buildings will be reported to the relevant Government Department by Council staff within 24 hours of the City becoming aware of or advised of the existence of that graffiti.
4. Graffiti will be treated on private buildings and structures in accordance with the Graffiti Treatment Procedure.
5. The City will work closely with the WA Police Service by reporting via a Graffiti Offence Report Form (WAPS-MO5) appropriate details. Photographic evidence will also be submitted.
