Certificate of Structural Sufficiency

Building Code of Australia Clause A2.2 (a) (v) (Volume 1) or Clause 1.2.2(a) (iii) (Volume 2)

Instructions: Please print clearly in the spaces provided.

The purpose of this certificate is to provide the City of Perth with assurance that the structural design, materials and form of construction for the proposed building work (s) complies in all respects with the relevant deemed-to-satisfy provisions of the Building Code of Australia. It is not intended for use by other parties and any such use must be approved by the issuer.

4. Applicant Authorisation

By ticking this box, I confirm that:

- This form is fully completed and is submitted with all required attachments. All documents covered by or forming part of this certificate must be endorsed and signed by the certifying professional engineer.
- I have checked the structural design, materials and form of construction for the entire proposed building work (s)
- The basis on which I give this certification and the extent to which I have relied upon relevant specifications, rules, codes, of practice or other publications is attached to and forms part of, this certificate
- The structural aspects of the design, materials, form of construction and fire resistance level (s) for the entire proposed building work (s) complies in all respects with the relevant deemed-tosatisfy-provisions of the Building Code of Australia ('BCA') including all relevant Australian Standards ('AS') and other documents referenced by the BCA (note A1170.4-Earthquake loads)
- I am qualified as a Professional Engineer as defined in Building Code of Australia Clause A1.1 (Volume 1) or Clause 1.1.1.2 (Volume 2) and I have the appropriate experience and competence to certify all of the matters covered by this certification.
- I understand that this form authorises the City of Perth to reproduce any documents associated with this application for internal purposes only.
- I have read and agree to abide by the associated Terms and Conditions. I also confirm the information I have provided in this form is accurate. (A signature is not required on forms lodged electronically and submissions will be treated in accordance with the Electronic *Transactions Act 2011 (WA).*)
