FOR THE YEAR ENDED 30TH JUNE 2019

BASIS OF PREPARATION

The budget has been prepared in accordance with applicable Australian Accounting Standards (as they apply to local government and not-for-profit entities), Australian Accounting Interpretations, other authorative pronouncements of the Australian Accounting Standards Board, the *Local Government Act 1995* and accompanying regulations. Material accounting policies which have been adopted in the preparation of this budget are presented below and have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the budget has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets. financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City of Perth controls resources to carry on its functions have been included in the financial statements forming part of this budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements.

2017/18 ACTUAL BALANCES

Balances shown in this budget as 2017/18 Actual are as forecast at the time of budget preparation and are subject to final adjustments.

All land (other than exempt land) in the City of Perth is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the City of Perth.

The general rates detailed for the 2018/19 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

(c) Objectives and Reasons for Differential Rating

To provide equity in the rating of properties across the City the following rate categories have been determined for the implementation of differential rating.

Differential general rate

Landgate Valuation Services provides the City with Gross Rental Values (GRV) on a triennial basis. These are now applied for the purpose of Rating effective from 1 July 2018, together with the use of ongoing interim valuations from the same source.

In the current economic conditions, only an increase of Consumer Price Index (CPI) of 0.8% in the Rate in the Dollar for all categories has been applied.

The City of Perth imposes differential rates under the provisions of Section 6.33 of the Local Government Act 1995 on all rateable land within the City according to the predominant purpose for which the land is held or used, as determined by the City. The objects and reasons for the imposition of each differential general rate are:

Residential - The residential category covers properties that are used for singular and multidwellings. The proposed residential rate is 5.74033 cents per dollar of GRV. The residential rate is set at a relatively low level when compared to other metropolitan authorities to support the City's aim of encouraging people to reside in the City.

Commercial - This classification is consolidated with Hotel and Retail and the former Commercial category into one ratepayer class. The category includes wholesalers, warehouses, industrial, entertainment and sporting facilities, hotels, short-stay serviced apartments, hostels, board and lodging accommodation and shops. All these assets have a common factor in being commercial operations with the object of attracting visitors and tourists to the City to contribute to city vitality. The City supports this ratepayer class to a material extent with marketing and promotional programmes. The City has set a rate for this sector at 5.56344 cents per dollar of GRV.

Office - The majority of properties within the City are used for office accommodation. The GRV of the office sector represents a large percentage of the total rateable values. The proposed rate for this sector is 4.55125 cents per dollar of GRV.

Vacant Land - The rate of 6.25865 cents per dollar of GRV applies to all vacant land within the district.

(d) Differential Minimum Payment

Minimum Rate - The City imposes one general minimum rate payment that applies to all rateable properties within the City. The proposed minimum payment will remain at \$705 as set in 2017/18. The minimum payment which impacts mainly in the residential category has been maintained at a relatively low level within the metropolitan area to support the City's strategy of encouraging living in the city.

1. RATES AND SERVICE CHARGES (CONTINUED)

(e) Specified Area Rate

The City did not raise specified area rates for the year ended 30th June 2019.

(f) Service Charges

The City did not raise service charges for the year ended 30th June 2019.

(g) Rates discounts

Rate or fee to which discount is granted	2018/19 Budget	2017/18 Actual	Circumstances in which discount is granted
	\$	\$	
Heritage Rate Relief Concession *	270,000	312,009	A 10% concession of Rates will be applied to qualifying heritage properties for a period of three consecutive years (up to a maximum of \$20,000 per annum), with an extension for a further three years being possible.
	270,000	312,009	<u>-</u>

^{*} Owners of Heritage listed properties under the City Planning Scheme are eligible to apply subject to the following criteria:

- 1. The rateable property is listed in the City of Perth City Planning Scheme as a Place of Cultural Significance;
- 2. There are no outstanding rates and charges relating to the property past the due dates for payments offered by the City;
- 3. Are able to demonstrate that there is an ongoing maintenance program in place for the property; and
- 4. The property owner signs and adheres to an agreement to maintain their property to a standard defined by the Council.

Applications need to be received by 28 February and will be applied to rates in the following financial year. The rate concession applies to general rates only and not rubbish collection charges or the Emergency Services Levy.

(h) Waivers or concessions

The City does not anticipate any waivers or concessions for the year ended 30th June 2019.

Adjusted net current assets - surplus/(deficit)		6,796,368	30,455,893

Reason for Adjustments

The differences between the net current assets at the end of each financial year in the rate setting statement and net current assets detailed above arise from amounts which have been excluded when calculating the budget deficiency in accordance with *Local Government* (*Financial Management*) Regulation 32 as movements for these items have been funded within the budget estimates. These differences are disclosed as adjustments above.

SIGNIFICANT ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the City of Perth's operational cycle. In the case of liabilities where the City of Perth does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the City of Perth's intentions to release for sale.

TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

NOTES TO AND FORMING PART OF THE BUDGET FOR THE YEAR ENDED 30TH JUNE 2019

2. NET CURRENT ASSETS (CONTINUED)

SIGNIFICANT ACCOUNTING POLICIES

TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the City prior to the end of the financial year that are unpaid and arise when the City of Perth becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

PROVISIONS

Provisions are recognised when the City of Perth has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

INVENTORIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale

Superannuation

The City of Perth contributes to a number of superannuation funds on behalf of employees. See note 11 for more information.

EMPLOYEE BENEFITS

Short-term employee benefits

Provision is made for the City of Perth's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City of Perth's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The City of Perth's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 2 - Net Current Assets.

DEPRECIATION

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

DEPRECIATION (CONTINUED)

Major depreciation periods used for each class of depreciable asset are:

Land - Leasehold Interest 99 years Buildings (incl. leasehold interest) 10 -100 years Stationary Plant in Buildings 15 years Leasehold Improvements Term of lease **Ground Level Improvements** 5 to 50 years Roads - Pavements 40 to 80 years Roads - Kerb 20 to 80 years Roads - Seal 25 years 20 to 50 years Footpaths Street Lighting 10 to 30 years 80 years Drainage 5 to 30 years Reticulation Overpasses and Underpasses 45 to 80 years Plant and Equipment – Major Plant 3 to 10 years Sedans and Utilities 2 to 3 years Pumps and Bores 15 years Minor Plant and Equipment 2 to 7 years Specialised Parking Equipment 7 to 15 years Furniture and Equipment 10 to 15 years Computer Equipment and Software 3 to 5 years

7. CASH BACKED RESERVES (CONTINUED)

(b) Cash Backed Reserves - Purposes

In accordance with Council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

Reserve name P	urpose of the reserve
Concert Hall Refurbishment	This reserve, originally set up in 1972, provides for the future maintenance of the Perth Concert Hall and the replacement of existing plant, furniture and carpets. The reserve
and Maintenance Reserve	also accommodates provision for the design and construction of the new WASO facility.
Refuse Disposal and	The purpose of this reserve is to allow for the development, construction and purchase of facilities and plant for the treatment, transportation and disposal of non-industrial refuse.
Treatment Reserve	It is also utilised to assist with the phasing in of significant increases in standard rubbish service charges anticipated when recycling processes are extended.
Asset Enhancement Reserve	This reserve was established in 1998 to fund future capital expenditure for the replacement and enhancement of City assets and smooth the impact of the capital cost in any one rating year. The purpose and title of this reserve was changed from 1 July 2003 to allow for the use of these reserve funds in future financial years for the enhancement, replacement, refurbishment and purchase of new assets or project works of the City. Additional to this purpose is that project works funded from this Reserve may not necessarily belong to the City but may be carried out for the ultimate benefit of the City.
Art Acquisition Reserve	This Reserve was established in 1999 to fund future additions to the art collection of the City. It is generally funded from the proceeds of sale of artworks and the transfer of the unexpended annual allocation for art acquisitions.
Street Furniture Replacement Reserve	This reserve was established in 1999 from proceeds received from the sale of a street furniture contract negotiated by the City with Adshel. Funds held are designated to be used for the purchase and improvement of the City's street furniture, including water features.
Heritage Incentive Reserve	This reserve was established in 2000 to fund heritage incentives to benefit properties on the City of Perth's heritage register.
Employee Entitlements Reserve	This reserve was established in 2013 to fund the non-current portion of employee entitlements for Long Service Leave. During 2015 the purpose of this reserve was changed to include the non current portion for Annual Leave entitlements.
Perth Convention Exhibition Centre Car Park - Fixed Plant Replacement Reserve	This reserve was established to provide for the future replacement of existing fixed plant, not owned by the City but which the City consumes and is obliged to replace, at the Perth Convention Exhibition Centre Car Park.
Parking Facilities Development Reserve	This reserve was established to enable parking facilities within the City and parking equipment to be developed and purchased.
Parking Levy Reserve	This reserve was established in 2013 to set aside funds to meet the State Government's Parking Levy.
David Jones Bridge Reserve	This reserve was established in 2003 to fund major repairs, renovations or replacement of the pedestrian bridge over Murray Street Mall between David Jones and Forrest Chase. The allocations to this reserve are the unexpended maintenance contribution from the owner of the David Jones site at the end of each financial year.
Bonus Plot Ratio Contribution Reserve	This reserve was established in 2005 to hold contributions in respect of Bonus Plot Ratio entitlements pending expenditure on streetscape improvements and/or public art.
Enterprise and Initiatives Reserve	This reserve was established in 2014 and is to be funded from proceeds of sales of land developed by the Tamala Park Regional Council and marketed as 'Catalina Estate', Clarkson. The purpose of the reserve is to fund future strategic projects to introduce and improve efficiencies and effectiveness in the City.
1,000,10	oranicon. The purpose of the feet to the failed diffused projects to influence and improve emoterated and emotiveness in the only.
Public Art Reserve	The Public Art Reserve was established to provide sufficient financial capacity to deliver new commissions of enduring public art identified in the City's draft Public Art Strategy and any associated strategic plans developed for public art. The Reserve will be funded through an annual capital budget allocation from the City of Perth. It is also proposed that the City of Perth adopts a percent for art schemes, as proposed in the draft Public Art Strategy. This source of funding is intended to augment or eventually replace the annual allocation to the Reserve. Monetary donations, gifts or bequests given to the City for public art may also be added to the reserve.

NOTES TO AND FORMING PART OF THE BUDGET FOR THE YEAR ENDED 30TH JUNE 2019

10. OTHER INFORMATION (CONTINUED)

(g) Elizabeth Quay

The Elizabeth Quay development opened in January 2016. The development incorporates commercial, retail and cultural attractions which are set around a 2.7 hectare inlet.

The MRA will retain ownership of a number of public realm areas and assets for up to 10 years although the road reserve has already been handed over to the City. The MRA is currently responsible for activation, presentation, maintenance and public services in the precinct. MRA will sell and oversee development of nine private lots over an extended period of time. The full cost of servicing the precinct will not be covered by the rates generated until there is further development of the site, which will take a number of years. The City currently provides waste and cleansing services for the precinct capped at a level which is fully funded from the rates revenue generated. The MRA also procure other cleaning and maintenance services from external providers to maintain an appropriate service level for the precinct. It is assumed that servicing of the precinct will remain cost neutral to the City until development of the site is substantially complete.

(h) Significant events

The State Government in March 2018 suspended the City of Perth Council. Chair of Commissioners Eric Lumsden, along with Andrew Hammond and Gaye McMath, were selected as Commissioners by the Minister for Local Government David Templeman, upon the suspension of the Council.

Included in the Budget 2018/19 is \$1.6 million for the Inquiry Panel as per the State Budget. Additionally \$1.1 million is provided for the Commissioner's.

11. SUPERANNUATION

The City of Perth complies with the minimum obligations under federal law and contributes in respect of its employees to one of the following superannuation plans:

(a) W.A. Local Government Superannuation Plan (W.A. Super)

Accumulation Members

The City contributes in respect of certain of its employees to an accumulated benefit superannuation fund established in respect of all Local Governments in the State. In accordance with statutory requirements, the City contributes to the W.A. Local Government Superannuation Plan (WASuper) amounts nominated by the Council. As such, assets are accumulated in the WASuper to meet members' benefits as they accrue. The latest available audited financial report of the plan, which was not subject to any audit qualification, indicates that the assets of the plan are sufficient to meet accrued benefits.

NOTES TO AND FORMING PART OF THE BUDGET FOR THE YEAR ENDED 30TH JUNE 2019

11. SUPERANNUATION (CONTINUED)

(b) City Of Perth Superannuation Plan (CPSP)

Defined Benefit Members

The City contributes in respect of certain of its employees to a defined benefit superannuation fund established for the employees of the City of Perth and known as the City of Perth Superannuation Plan (CPSP). In accordance with statutory requirements, the City contributes to the plan amounts determined by the plan actuary. As such, assets are accumulated in the plan to meet members' benefits as they accrue. The latest available audited financial report of the plan, which was not subject to any audit qualification, indicates that the assets of the plan are sufficient to meet accrued benefits.

The plan has a number of different participating employers contributing to the defined benefit section of the plan and as such is accounted for as a defined contribution plan. The defined benefit section of the plan was closed to the admission of new members from 1 July 2009.

On 31 March 2016 plan assets relating to defined benefit members was transferred from Australian Super to Equipsuper Pty Ltd. An actuarial investigation of the Plan as at 30 June 2016 was completed by the Heron Partnership in March 2017. It was agreed that it would be appropriate to continue the reduced employer contributions for defined benefit members to the Superannuation Guarantee (SG) Rate (currently 9.5%) from July 2016 until at least the completion of the next actuarial investigation with an effective date of 30 June 2019 (due no later than 31 December 2019).

Accumulation Members

The City contributes in respect of certain of its employees to an accumulated benefit superannuation fund for the employees of the City of Perth and known as the City of Perth Superannuation Plan (CPSP). In accordance with statutory requirements, the City contributes to the CPSP amounts nominated by the Council. As such, assets are accumulated in the CPSP to meet members' benefits as they accrue. The latest available audited financial report of the plan, which was not subject to any audit qualification, indicates that the assets of the plan are sufficient to meet accrued benefits.

Effective 1 July 2009 the City of Perth Superannuation Fund was subsumed into an industry fund Australian Super, operated by the trustee Australian Super Pty Ltd.

Due to changes in legislation impacting on superannuation, Australian Super has moved accumulated members into a new fund called My Super. This fund is part of Australian Super. The change was implemented for both legislative reasons and to take advantage of lower member fees.

Total Superannuation contributions to be paid by the City in the budget year amount to \$7,039,341 (2017/18 estimate is \$7,022,989).

NOTES TO AND FORMING PART OF THE BUDGET FOR THE YEAR ENDED 30TH JUNE 2019

12. SIGNIFICANT ACCOUNTING POLICIES - OTHER INFORMATION

GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

COMPARATIVE FIGURES

Where required, comparative figures have been adjusted to conform with changes in presentation for the current budget year.

BUDGET COMPARATIVE FIGURES

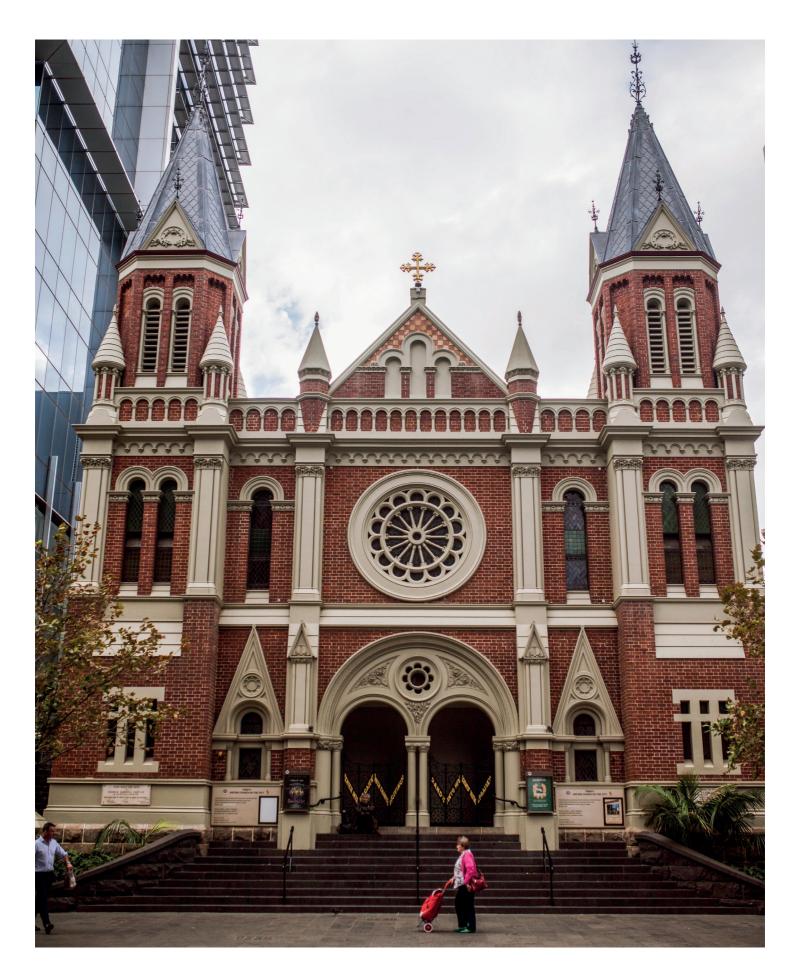

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

REVENUE RECOGNITION

Rates, grants, donations and other contributions are recognised as revenues when the City of Perth obtains control over the assets comprising the contributions.

Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.
